

design — Mauro Lipparini

Katana, 026/TR4
tavolo \ table

A decretare l'unicità del tavolo Katana è il peculiare disegno delle gambe in metallo, che richiama le antiche spade giapponesi a lama curva e da cui deriva il nome del prodotto. Proposta versatile, Katana è disponibile con piano tondo - con o senza lazy susan - e rettangolare in marmo o grès porcellanato. Inoltre, è disponibile nelle versioni outdoor con piano in grès porcellanato.

To uphold the uniqueness of the Katana table is the peculiar design of the metal legs that recall the ancient curved blades of Japanese swords, hence the name of the product. A versatile proposal, Katana is available with round - with or without Lazy Susan - or rectangular top in marble or laminated porcelain top. Also available for the outdoor with laminated porcelain top.
