Candy, 943
sedia \ chair

Sedia, poltrona e divanetto compongono la famiglia Candy, costituita da una struttura in frassino o noce canaletto, dalle proporzioni misurate, che si congiunge all'imbottitura all'altezza della seduta diventando un tutt'uno con essa. Candy può essere personalizzata grazie ai rivestimenti in tessuto o pelle da campionario, adattandosi così a tutti i contesti, dalla casa all'ufficio, ma anche a spazi collettivi quali hotel e ristoranti.

Chair, armchair and small sofa make up the Candy family, made of a frame in ash wood or walnut, proportionately sized, joined to the seat padding to become a single unit. The Candy can be customised thanks to the fabric or leather cover, as per the sampler, that can be adapted to multiple contexts, from the home to the office, but also to collective areas such as hotels and restaurants.
